Point Loma Summer Concerts are run by an all-volunteer board. Concert expenses are covered by generous grants from the City of San Diego Arts and Culture Commission, the City of San Diego, the San Diego County Community Enhancement program, and sponsors in our community. Our presenting sponsor, Willis Allen, has been with us from the very beginning – and is heading into its 20th year of concert sponsorship. Dorothea Laub and the Point Loma Association have supported the concerts year after year as Exclusive Concert Sponsors.

Our sponsors and supporters allow us to book great bands and plan and budget with the knowledge that we have the resources to make it happen. That's where you come in! Local businesses in our community understand just how great it is that we bring the community together for five nights of music.
